Implementation Date:
Fiscal Year 1998-99
July 1, 1998

Element Name: Co-Enrolled Student

Definition/Domain

The following codes are used to identify secondary students (grades 9-12 and without a high school diploma or its equivalent) who are currently enrolled in a secondary school and taking a secondary course through adult general education. The course is to be counted toward their required courses for secondary high school graduation.

CODE	DEFINITION
Y	Co-Enrolled student.
N	Not a Co-Enrolled student.

Length: 1

Format: Alphanumeric

Compatibility Requirement: Compatible

Grades and Programs Requiring This Data Element:

Workforce Development Education (adult general education)

Use Types:

- ☒ **State Report**
- ☐ **Postsecondary Transcript**
- ☒ **Local Accountability**
- ☐ **District Records Transfer**
- ☒ **Permanent Record**

State Reporting Formats Requiring This Data Element:

WDIS Adult General Education Student Course DB9 48x
