Element Name: **Job Code, Primary**

Definition/Domain

The code associated with each primary job assignment of the employee.

Example: 53002 Business Education Teacher

See Appendix E: Job Code Assignments.

NOTE: The majority of employees in a district will have only one primary job. However, it is possible for some individuals to have more than one primary job. For example, an employee could hold the primary job of bus driver and a second primary job of cafeteria worker. Caution should be used in differentiating a second primary job from an additional job assignment.
