MEMORANDUM

TO: District Technical College Center Directors
Florida College System Workforce Administrators

FROM: Kevin O'Farrell, Ph.D.

DATE: September 6, 2023

SUBJECT: 2023-2024 Perkins V Industry Recognized Postsecondary Credentials

The Division of Career and Adult Education is accepting requests for linkages of Industry Recognized Postsecondary Credentials to postsecondary Career and Technical Education (CTE) programs for Perkins V postsecondary measures for the 2023-2024 reporting year.

Attached are the following two documents: '2023-2024 Perkins V Industry Recognized Credentials List' and '2023-2024 Items on the Master Credentials List with Postsecondary Funding Designations.'

The '2023-2024 Perkins V Industry Recognized Credentials List' document contains postsecondary Perkins linkages that were established previously and will be carried forward for the 2023-2024 reporting year.

The '2023-2024 Items on the Master Credentials List with Postsecondary Funding Designations' contains credentials that are postsecondary performance funding eligible for district postsecondary institutions and Florida College System institutions.

New linkages may be requested using the [Microsoft form](#). Only certifications listed on the '2023-2024 Items on the Master Credentials List with Postsecondary Funding Designations' can be requested. One linkage is to be submitted per entry on the form with multiple submissions allowed. Linkages already on the '2023-2024 Perkins V Industry Recognized Credentials List' do not need to be requested. Submissions are due by **October 9, 2023**.

For questions, please contact Kaitlin Vickers, Career and Professional Education Industry Certification Manager, at industrycertification@fldoe.org or 850-245-9030.
