SUBJECT: **2023-24 Grow Your Own Registered Teacher Apprenticeship Program:
A Sub-Initiative of the Pathways to Career Opportunities Grant (PCOG)
Program; Florida Department of Education Grants – Funding
Opportunity/Webinar Schedule**

The funds for this grant are appropriated under the 2023 state of Florida General Appropriations Act (Appropriation Number 115 – Aid to Local Governments – Grants and Aids) as a sub initiative to PCOG, \$5 million has been allocated to support the Grow Your Own Teacher Registered Apprenticeship Program, which was established in HB 1035 and creates s. 1012.555, F.S.

The purpose of this sub initiative grant is to support the costs of related technical instruction for upper division coursework toward the award of a baccalaureate degree in education. Eligible applicants are limited to Florida College System (FCS) institutions, State University System (SUS) institutions and Independent Colleges and Universities of Florida (ICUF) institutions with baccalaureate-level state-approved educator preparation programs (EPPs) approved by the Florida Department of Education.

Governor DeSantis’s continued commitment to the registered apprenticeship model to train and prepare Florida’s future educators is a testament to not only the value of the “earn while you learn” model of postsecondary education but is essential for Florida to become number one in the nation for workforce education by 2030. We look forward to ongoing collaboration to provide the highest quality career preparation opportunities for all Floridians.
