

## CELLA Communiqué #19

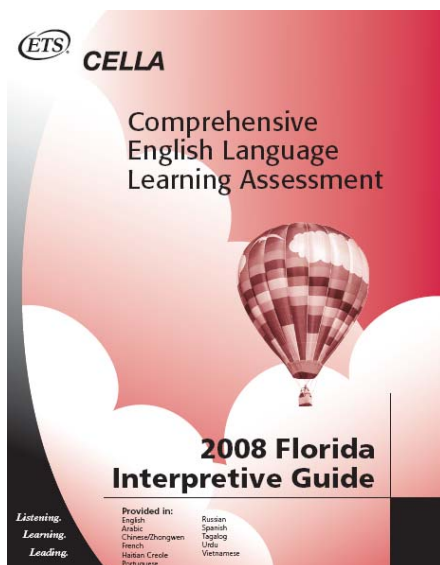

### 2008 Florida Interpretive Guide

You will receive one 2008 Florida Interpretive Guide per student with your score reports shipment. ***A copy of the 2008 Florida Interpretive Guide is to be provided to each student with their score report.*** This week's communiqué will highlight the changes we've made to the Interpretive Guide.

#### **New:**

- Simplified the first page to include a section that discusses Reporting on the Progress of English Language Learners to include information on the three NCLB Annual Measurable Achievement Objectives (AMAOs):
  1. Progress towards acquiring English language proficiency.
  2. Attainment of English language proficiency.
  3. Adequate yearly progress in academic reading and mathematics by English language learners.
- Reported learning gains of 65% for English Language Learners in 2007, compared to 62% of non-English Language Learners.
- Updated the student score reports to reflect:
  1. Footnotes for NT, ET, NS, and NA.
  2. Proficiency Level Descriptors table that outlines Scale Scores by Grade Clusters (cut score midpoints).

#### **Eleven Languages Available**

The Informational Flyer is in English and translated in Arabic, Chinese, French, Haitian Creole, Portuguese, Russian, Spanish, Tagalog, Urdu, and Vietnamese.

PDF files of each language are available at the Florida CELLA Web site for download at <http://www.fldoe.org/aala/cella.asp>.
