

CELLA Communiqué #8

Highlights of the CELLA Florida Web Site and Information Available

The Department of Education has recently revamped their entire Web site, including the CELLA home page, <http://www.fldoe.org/aala/cella.asp>.

What's Available:

- CELLA Communiqués will be posted on a weekly basis.
- The PowerPoint presentations for Train-the-Trainers, Materials Return Processing, Functional Level Testing, and Standard Setting Process Status
- The Supplemental Form, the Survey Form, and the Suggestion Form

New Feature:

At the bottom of the CELLA home page is a new link for archived items.

What's Coming:

We will be posting documents on the internet as soon as we receive them and they are made 508 compliant. Check the site often for new information.
