

CELLA Communiqué #9

2008 Florida Parent Informational Flyers

Florida Parent Informational Flyers are to be sent home with students who will be administered the CELLA. These flyers should be distributed at least one week prior to the CELLA administration scheduled for your school.

The Informational Flyer is a one-page document that explains the CELLA test sections and levels. It also provides students and parents test-taking tips and specific strategies to remember on test days.

Ten Languages Available

The Informational Flyer is translated and provided in Arabic, Chinese, French, Haitian Creole, Portuguese, Russian, Spanish, Tagalog, Urdu, and Vietnamese.

PDF files of each language are available at the Florida CELLA Web site, <http://www.fldoe.org/aala/cella.asp>
