- Any certification that reflected Bachelors or Higher Degree and the endorsement: "TC WK EXP E G" has had the "G" removed from the certification. "G" indicates that the endorsement is issued by the district. If the certification comes from the state level, the endorsement also comes from the state level. If the endorsement is attached to any certification that requires vocational coverage, the "G" remains on the certification requirement because the district will issue the endorsement credentials.
- Cooperative Education Manual has been developed and added to the website below. This manual contains guidelines for workplace programs and training agreements.
