\* *Note:* Within each subject area, the number of questions may vary from one test version to another. A given test version may contain experimental test questions that do not affect an examinee’s score. If there are no multiple-choice questions on a test or subtest, this is indicated by “N/A” (not applicable).

\*\* *Note:* Some tests require a speaking or writing performance component. If there is no performance component, this is indicated by “none.”
