## MEMORANDUM

TO: District Assessment Coordinators

FROM: LynnAnn Tabeling, Director of Scoring and Reporting

SUBJECT: Fall 2009 PreID Rosters and Masked SSNs

DATE: October 7, 2009

Dear Colleagues,

It was just brought to our attention that Student Social Security Numbers are **masked** on the FCAT PreID Rosters (as they are on PreID Labels) for the Fall 2009 Retake administration. This means that school assessment coordinators will only be able to verify the last 4 digits of a Student ID when it is a Social Security Number. Please communicate this information to your school assessment coordinators as soon as possible.

We realize that this conflicts with the information in the manual and apologize for any inconvenience this may cause.

Thanks to Raymond Bell in Escambia for bringing this to our attention!
