MEMORANDUM

TO: District Assessment Coordinators

FROM: LynnAnn Tabeling, Director of Scoring and Reporting

SUBJECT: Spring 2010 PreID File Layout - UPDATE #4

DATE: November 2, 2009

We appreciate the patience you have demonstrated as Pearson works to get all of the Spring 2010 PreID information loaded into PearsonAccess.

This morning, based on feedback many of you have provided regarding the PreID frequency reports, Pearson identified an issue with how PearsonAccess is handling certain record types. This issue is having the greatest impact on the grade 10 and 11 students.

At this time, please disregard the frequency reports currently posted to PearsonAccess until I notify you that the issue has been resolved. At that time, we will post updated reports for you to review.

Thank you again for your patience and help in getting this issue resolved.
