Dear District Assessment Coordinator,

On Tuesday, May 15, the VPK Provider Kindergarten Readiness Rate will be released via the VPK Provider Kindergarten Readiness Rate website: <https://vpk.fldoe.org/> The rates are based on the scores of children who attended VPK and who are screened upon entry into kindergarten with the Florida Kindergarten Readiness Screener (FLKRS) instruments: a subset of ECHOS and two measures of DIBELS.

Two conference calls have been scheduled to present information about the timeline for the rollout activities and to demonstrate the functionality of the readiness rate website (to preview the site and explore the functionality on your own, go to <https://vpktest.fldoe.org/> where you may explore "test" data for fictional providers) prior to the data going live on the [Readiness Rate website](#).

The toll free number for all of the calls below is 1-888-808-6959 and the Conference Code is 2450966.

Friday, May 11, 2007

In addition, a conference call is scheduled for Monday, May 14, at 6:30 p.m. for District Superintendents to review the statewide results.
