MEMORANDUM

TO: District Assessment Coordinators

FROM: Victoria Ash, Chief
Bureau of K-12 Assessment

DATE: March 3, 2010

SUBJECT: K-12 Assessment Staff Announcements

Good afternoon,

As many of you are already aware, the K-12 Assessment Office has undergone some recent reorganization, and I am pleased to let you know about some changes to our staff roster.

We recently welcomed two new team members, Qian (pronounced "chin") Liu and Carlton Gay, to the Scoring and Reporting section. Although they are new staff members, their expertise in programming and their terrific work ethic have already made them valuable members of the team. Bernard Stevens and Betty Weller have left our office to pursue opportunities outside the Department of Education.

I am also happy to announce that Susan Lee (prefers "Susie"!), whom many you know in her former capacity as a Program Specialist in our office, has been named Director of K-12 Test Administration. With her knowledge and enthusiasm, as well as her strong working relationships with Assessment team members and district personnel, I'm confident that Susie will provide effective leadership for the administration team.

I hope you will join me in welcoming and congratulating these three team members!

You can reach any of us at 850-245-0513, and our email addresses utilize the following protocol: firstname.lastname@fldoe.org.
