**There should be no deviation from the established FCAT administration schedule unless districts requested and received written approval from the FDOE prior to implementation.**

## Spring 2010 Reading/Mathematics/Science Daily Test Administration Schedule

### **GRADES 8 and 11 SCIENCE**

DISTRICTS may administer Grade 8 Science on Day 3, Day 4, Day 5, OR Day 6, and Grade 11 Science on Day 1, Day 2, Day 3, Day 4, Day 5, OR Day 6. This must be a DISTRICT (not a school-by-school) decision. Both **55-minute** sessions of Grade 8 Science, and both **65-minute** sessions of Grade 11 Science must be administered in one day. Each district must notify the FDOE of the selected Grade 8 Science administration day and Grade 11 Science administration day.

### **RETAKES**

Students in Grades 10-Adult participating in the RETAKE tests may be allowed to work until the end of the school day to complete the Retake test administered that day. **DISTRICTS** may choose any two days during the testing period to administer the RETAKE tests. All sites in each district must administer the RETAKE tests on the same days, as specified by the district. Each district must notify the FDOE of their selected two days for administering the Retake.
