

**2010-2011 Florida Instructional Materials Adoption for Science K-12
Publisher Conference Call Notes
September 24, 2009**

The conference call for Publishers interested in the 2010-2011 Florida Instructional Materials Adoption for Science K-12 was held on Thursday, September 24, 2009, from 1-3 PM (EDT). The purpose of the call was to present some pertinent information and answer questions concerning the Science Specifications. Here are links to conference call materials:

Presentation Slides - <http://realm.cimes.fsu.edu/resources/files/SciencePresentation.pdf>

Questions & Answers - <http://realm.cimes.fsu.edu/resources/files/ConfCallQASci24Sept2009.pdf>

Audio Recording - <http://realm.cimes.fsu.edu/resources/files/PubCCSci24Sept2009.mp3>

Additional Information Concerning the 2010-2011 Science Adoption:

The call for bids and bidding requirements will go out in January of 2010. The Publishers' Bidding Workshop that usually takes place in Tallahassee in February may be changed to a conference call and/or webinar. Specifics will be sent when available. Although the specifics for bidding may change slightly for the 2010-2011 adoption, you can familiarize yourself with the 2009-2010 Bid Information for Publishers webpage: <http://www.fldoe.org/bii/instruct%5Fmat/bidinformation.asp>. Bid forms for the 2010-2011 adoption will be available in January.
