Unix/Linux System Administrator	05007030406			CCC	New 18-credit certification program out of Network Services Technology AS/AAS degree program.
Multimedia Design Technology	0510019900	8212400	B070100		Secondary number added to the existing postsecondary program. Secondary program will cover first 750 hours of the program (OCP A and B), or five courses. Two of the courses, Business Systems and Technology (8209020) or Introduction to Information Technology (8207310), and Web Design 1 (8207110) are pre-existing courses in several other programs. The three new courses, Multimedia Foundations 1 (8212430), Multimedia Foundations 2 (8212440), and Multimedia Foundations 3 (8212450) are the only ones listed in the Course Code Directory. However, it will be necessary to take the other two courses in order to complete the secondary requirements for this program. Business Systems and Technology and Web Design 1 will appear as part of this program in the 2007-2008 Course Code Directory. A notation to this effect has been made in the framework. For Gold Seal purposes, all six courses will be listed for eligibility in 2006-2007.
