Pearson Education, Inc., publishing as Pearson Scott Foresman

Scott Foresman Art (K-5), Robyn Montana Turner, 2005/1st

Committee Comments or Notations:

Approach: Scott Foresman Art is a comprehensive, balanced, and sequenced art program that is standards-based. Each grade level has six thematic units that incorporate the elements of art, principles of design, art history, art criticism, and aesthetic perception. Students develop skills and learn techniques in art, create art, and communicate through art while learning about cultural and historical connections. In Scott Foresman Art, students will explore a wide variety of artworks from various cultures and time periods and experience studios that sequentially build knowledge and skills. Studios for drawing, painting, printmaking, sculpture, fibers, photography, architecture, or computer art are introduced in a developmentally appropriate manner. Throughout the program the Artist at Work feature provides role models and information for students about the contributions of artists. Each lesson in Scott Foresman Art introduces art concepts in context illustrated through examples of fine art. Lessons feature a variety of art and are followed by studio activities that apply the concepts of the lessons through engaging and accessible art production activities. Each studio includes visual and verbal support for students to create their own original artworks. Throughout the program, students develop aesthetic and critical thinking abilities through discussion and critique while learning to apply the concepts of art in the world around them.

Scott Foresman Art provides a variety of culminating projects for assessment and self-reflection along with formal and informal assessment activities. This comprehensive and balanced art curriculum inspires students with master artworks and supports creative efforts with sufficient visual and verbal support to assure success for all students.

Recommended for: Scott Foresman Art is a comprehensive art program for grades K-5 that meets the needs of all students in the state of Florida. Students have different learning modalities and Scott Foresman Art provides for each.

Suggested Instructional Time: 1 year
