Committee comments or notations: None
Approach: This program ensures that all social studies and most language arts SSS are taught and all GLE's are met. It is an integrated approach to teaching social studies, and also offers a literature based program as an alternative way to teach.
Recommended for: All K-5 students, including ELL, special needs, and advanced learners.
Suggested instructional time: one year per grade level
Consultant service: Consultant in-service and staff development workshops are provided free throughout the length of the adoption.
Adopted: 2005-2011
