History - New 10-28-75, Amended 4-7-85, Formerly 6A-14.63, Repealed

6A-14.063 Accreditation.

(1) Community colleges are authorized and encouraged to seek and maintain accreditation by the regional accrediting association of colleges and schools for this region. The executive director or designee shall maintain liaison with the regional accrediting process and inform the State Board of Community Colleges of the accreditation status of each college.

(2) Community colleges are authorized to obtain specialized accreditation of individual programs from accrediting bodies recognized by the Council on Postsecondary Accreditation.

Specific Authority 229.053(1), 240.325 FS. Law Implemented 240.325, 240.349 FS. History - New 10-28-75, Amended 4-7-85, Formerly 6A-14.63.
