

**Rules Revision Project
Florida Community Colleges
Summary of Policy Changes in Amended
and Deleted Rules**

- Repeal and deletion of specific management and operational requirements at state level to facilitate delegation to local college boards of trustees.
- Criteria for awarding continuing contract to full-time faculty to be determined by each college after completion of 3 to 5 years of satisfactory service.
- Colleges to establish criteria for retention and dismissal of employees.
- Contract forms for college personnel to be determined by each board of trustees, not the state.
- Deletion of requirement for colleges to expend 2% of the Community College Program Fund on staff and program development.
- Purchasing and procurement requirements revised for consistency with statutes and to allow for development of procedural rules by local boards of trustees.
- Boards of trustees are empowered to develop local rules for the expenditures of auxiliary enterprise funds.
