AUTHORITY FOR STATE BOARD ACTION

N/A

BACKGROUND INFORMATION

The Chancellor of Community Colleges and Workforce Education has implemented and reviewed a variety of statewide activities that contribute to the achievement of the four primary goals of the Florida State Board of Education.

Chancellor Armstrong will provide the Board with a report on activities related to access to post-secondary education, innovative K-20 partnerships, teacher preparation, reading initiatives, and other information. The Chancellor will provide brief information on future activities related to these issues.

The Chancellor will also present a proposed method for conducting a strategic plan for the community college system.
