

STATE BOARD OF EDUCATION
Policy Issues for Concurrence
November 16, 2004

SUBJECT: Grading Alternative Schools

An overview of the state profile for schools identified as alternative schools, a comparison of student achievement levels of regular high schools, the lowest performing high schools, and alternative high schools, and the policies for grading alternative schools will be provided.

Supporting Documentation Included: Policy Brief on Grading Alternative Schools

Facilitators/Presenters: Christy Hovanetz, Director, Office of School Grading and Accountability
