

Hurricane Recovery Issues

- Cash Flow Assistance
- Loss in Student Enrollment
- Gain in Student Enrollment
- Facilities Damage
- Operating Costs

Cash Flow Assistance

At least fourteen school districts anticipate cash flow problems

- ✓ Source of Funds
- ✓ Guidelines and Documentation

Loss in Student Enrollment

Per student funding:

School Districts

Tuition and Fees:

Community Colleges

Universities

Gain in Student Enrollment

- Public School Issue
- Each district has enrollment cap in certain education programs
- Enrollment over cap is not funded
 - ✓ Enrollment caps need to be increased for districts receiving students as a result of the hurricanes.

Facilities Damage

Public Schools
Community Colleges
Universities

- ✓ Federal Emergency Management Assistance (FEMA) will cover 90% of costs not covered by insurance

Additional Operating Costs

Public Schools

Community Colleges

Universities

- ✓ **Insurance and FEMA coverage questionable**
