**BACKGROUND INFORMATION**

At the request of the State Board of Education, the Florida Community College System has begun the process of creating a new 5-year Strategic Plan. Dr. Bill Law, President of Tallahassee Community College, has agreed to chair a Task Force which will conduct the strategic planning effort. The Task Force will be asked to develop a plan which will support K-20 Strategic Goals and Imperatives, while at the same time providing future direction for DCCWE.

The first meeting of the Strategic Planning Task Force, will take place in Tampa in conjunction with the Florida Association of Community Colleges annual conference, on November 19, 2004. Completion of the project is targeted for Summer 2005.
