PROPOSED BOARD ACTION

For Approval

AUTHORITY FOR STATE BOARD ACTION

Section 1005.22(1)(e)1, Florida Statutes.

BACKGROUND INFORMATION

Rule 6E-1.003, Definition of Terms, sets forth the definitions for the rules for the Commission for Independent Education (CIE). The proposed rule amendment adds a definition for the term "Generally Accepted Accounting Principles" (GAAP). This term is already being used in the current rules for CIE licensure requirements. The Joint Administrative Procedures Committee requires all agencies using the term GAAP to include it in the definition section of their rules, and has required CIE to add it as well.

The amendment of the rule has been approved by the Commission of Independent Education at the meeting held on October 12, 2004, following a rules committee meeting October 11, 2004.
