

Rule 6E-1.0032 is amended to read:

6E-1.0032 Fair Consumer Practices.

(1) through (5) No change.

(6) Each prospective student shall be provided a written copy, or shall have access to an electronic copy, of the institution's catalog prior to enrollment or the collection of any tuition, fees, or other charges. The catalog shall contain the following required disclosures, and catalogs of licensed institutions must also contain the information required in subsections 6E-2.004(11) and (12),

F.A.C.:

(a) through (f) No change.

(g) Admissions: The institution shall disclose its method of assessing a student's ability to ~~complete~~ successfully complete the course of study for which he or she has applied. The requirements for admission (~~such as high school diploma, general equivalency diploma, or its equivalent~~) and for graduation shall be disclosed. If the practice of a career has special requirements or limitations, such as certain physical or language capabilities or lack of a criminal record, such requirements or limitations shall be disclosed to prospective students interested in training for that career.

(h) through (k) No change.

(7) through (9) No change.
