

EDISON COLLEGE

November 11, 2004

Commissioner John Winn
Florida Department of Education
Office of the Commissioner
325 West Gaines Street, Suite 1514
Tallahassee, FL 32399

Dear Commissioner Winn:

In accordance with Section 1007.33 Florida Statutes (F.S.), I am enclosing Edison College's proposal for the transfer of degree granting authority for the Bachelor of Science (BS) degree in Public Services Management from Florida Gulf Coast University to Edison College. The proposal is being submitted under separate cover to the Council for Education Policy Research and Improvement for review and comment.

Please note that the name of the program has been changed from Public Services Management to Public Safety Management. The revised degree name reflects critical interagency security issues, on both the national and local levels, arising since 2001.

We look forward to discussing our proposal with the Florida Board of Education and providing any additional information you may request. Thank you for your kind assistance.

Respectfully yours,

Kenneth P. Walker
