BACKGROUND INFORMATION

In August 2004, the State Board of Education approved the recommendation that reading funding move into the Florida Education Finance Program (FEFP), in the amount of \$111,800,000. In order to receive that funding, districts would be required to submit a district-wide comprehensive plan for reading instruction, K12. Draft plans were submitted to the Just Read, Florida! Office on April 15. An update on funding, status of plan review, and summer reading camp information will be provided.

Supporting Documentation Included: FEFP Reading Allocation, Summer Reading Camp schedules, and Comprehensive Research Based Reading Plan Review Criteria
