PROPOSED BOARD ACTION

For approval.

AUTHORITY FOR STATE BOARD ACTION

Section 1012.34, Florida Statutes,

BACKGROUND INFORMATION

Section 1012.34, Florida Statutes, instructs the State Board of Education to review and approve each district's instructional personnel assessment system. In an effort both to acquire and retain highly effective teachers for Florida's classrooms and to increase rates of student achievement, this rule is being amended to better reflect section 1012.34, FS. Revisions clarify the linkage of teacher performance assessment systems primarily to the achievement levels of the students assigned to their classrooms or schools and provide clarification of the definition of outstanding performance.
