PROPOSED BOARD ACTION

For Approval

AUTHORITY FOR STATE BOARD OF EDUCATION ACTION

It is duly submitted for final approval of the State Board of Education, as required by Section 1005.22(1)(e)1, Florida Statutes.

BACKGROUND INFORMATION

Rule 6E-2.0061(7)(c), F.A.C., Actions Against A Licensee; Penalties, establishes that reconsideration of probable cause cases would be performed by the initial probable cause panel. However, it also allows that if an original panel member is not available, a current member(s) of the probable cause panel shall hear the reconsideration. If reconsideration of probable cause happens after the Commission and/or probable cause panel have gone through the reappointment process, the original members of the panel that reviewed the case may not be available. The proposed rule allows reconsideration of the case to proceed if the original panel members are not available.

The amendment of the rule has been approved by the Commission for Independent Education at the meeting held on March 22, 2006, following a Rules Workshop on March 21, 2006.
