BACKGROUND INFORMATION

The Florida Community College System (FCCS) Strategic Plan, which was developed in conjunction with Department of Education Goals and the K-20 Strategic Imperatives, provides our System with guideposts for actions geared toward meeting our defined goals. The Plan also provides a framework for policy initiatives and related budget considerations/requests. This presentation will update the progress of the FCCS Strategic Plan, highlighting specific policy initiatives and potential budget ramifications.

Supporting Documentation Included: Current policy initiatives related to the FCCS Strategic Plan
