BACKGROUND INFORMATION

As of August 24, 2006, 12,027 children participated in the summer VPK program. The Department of Education and the Agency for Workforce Innovation are collaborating on the evaluation of the VPK summer program. DOE posted an on-line summer survey to be completed by providers, program administrators, and teachers. AWI is developing a parent survey that will be sent to parents of participating children.

This update will provide a debriefing of the VPK summer program provided by school districts along with a short video.

Supporting Documentation Included: Summer Voluntary Prekindergarten (VPK) Survey and Number of Children Enrolled in VPK by County as of August 24, 2006
