**BACKGROUND INFORMATION**

Each year school districts are provided an opportunity to submit new courses to be included in the Course Code Directory for 2007-2008. The requested courses and course descriptions are reviewed by Department staff and state university admission directors to assess how the new courses will apply toward high school graduation requirements and state university admission criteria. The course descriptions for the newly approved courses are incorporated by reference in Rule 6A1.09412, FAC., for the 2007-2008 school year in the “Florida Course Descriptions for Grades 6-12/Adult, Basic Education.”
