

## STATE BOARD OF EDUCATION

### Action Item

December 12, 2006

**SUBJECT: Charter School Appeal Commission Recommendation**

---

### **PROPOSED BOARD ACTION**

Approve the recommendation of the Charter School Appeal Commission related to the review of the appeal heard on November 3, 2006.

### **AUTHORITY FOR STATE BOARD ACTION**

Section 1002.33, Florida Statutes, requires the Charter School Appeal Commission to make written recommendations to the State Board of Education to accept or reject the decision of a district school board to terminate a charter school contract.

### **BACKGROUND INFORMATION**

The Charter School Appeal Commission was created pursuant to Section 1002.33(6), Florida Statutes, to assist the Commissioner and the State Board of Education with a fair and impartial review of appeals by applicants whose charters have been denied or whose charter contracts have not been renewed by their sponsors.

The Commission is responsible for providing a "written recommendation" to the Commissioner of Education stating whether the appeal should be upheld or denied and includes the reasons for the recommendation being offered. The State Board must consider the Commission's recommendation, but is not bound by the recommendation. By majority vote, the State Board must accept or reject the decision of the district school board no later than 90 calendar days after an appeal is filed.

The Charter School Appeal Commission met on November 3, 2006, to consider the charter school appeal filed on August 24, 2006 of Richard Milburn Academy Charter School, and has since provided its recommendations to the Commissioner of Education (attached).
