AUTHORITY FOR STATE BOARD ACTION

1001.02, 1001.03, Florida Statutes.

BACKGROUND INFORMATION

This rule is amended to revise and update the K-12 Reading and Language Arts Standards as incorporated by reference within the rule. Stakeholders throughout the state were provided the opportunity to provide input through the Department's website. Over 38,200 individuals responded to this request for input. The standards and benchmarks have been distributed at advisory meetings across the state with content experts in the area of language arts, reading, library/media, and exceptional student services. The standards will now reflect grade level benchmarks rather than the grade cluster standards previously adopted. This item was previously discussed and presented as a policy item on the December 12, 2006, State Board agenda.
