

**State Board of Education
January 25, 2007**

Dr. Cheri Pierson Yecke, K-12 Chancellor

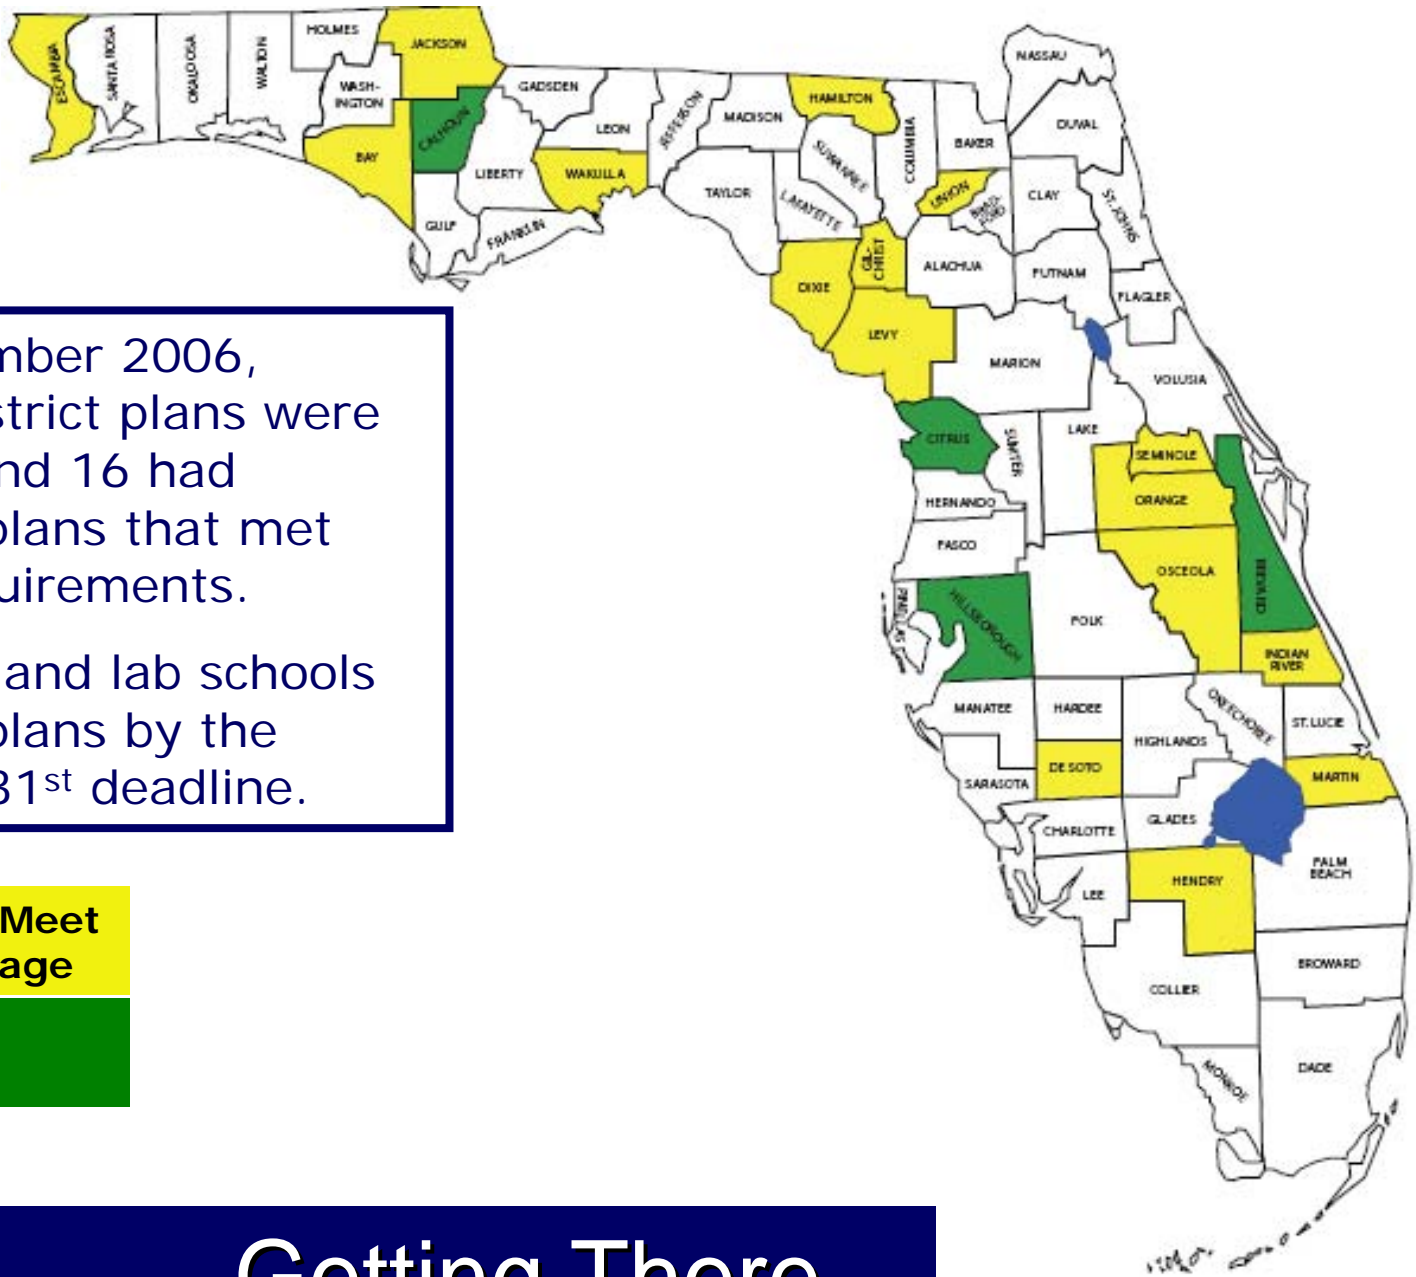

Special Teachers Are Rewarded (STAR) Update

As of October 2006, one school district plan was approved. Many were in progress with their STAR buddies.

State Board Approval

Getting There...

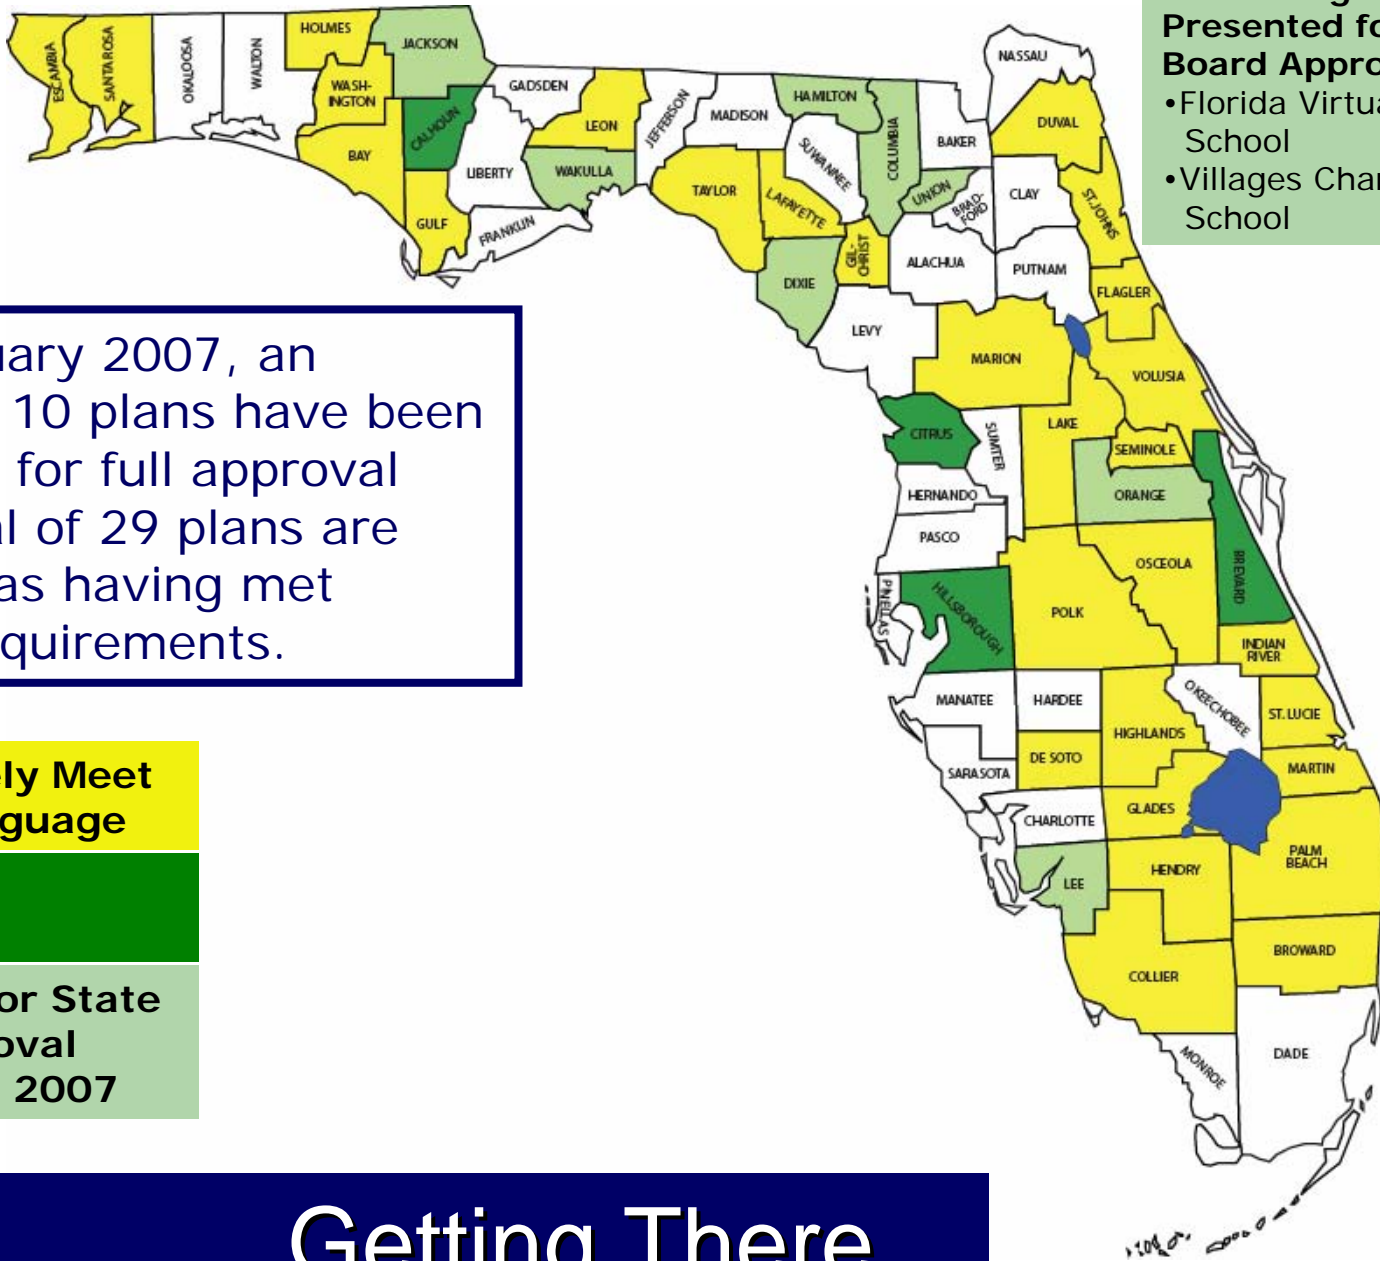

As of December 2006,
4 school district plans were
approved and 16 had
submitted plans that met
proviso requirements.

All districts and lab schools
submitted plans by the
December 31st deadline.

**Substantively Meet
Proviso Language**

**State Board
Approval**

Getting There...

Also Being Presented for State Board Approval:

- Florida Virtual School
- Villages Charter School

As of January 2007, an *additional* 10 plans have been submitted for full approval and a total of 29 plans are regarded as having met proviso requirements.

Substantively Meet Proviso Language

State Board Approval

Presented for State Board Approval January 25, 2007

Getting There...

Currently...

- Most districts not currently meeting substance of proviso are working with DOE STAR buddies
- Some districts are currently at impasse
- Other districts continue to negotiate with local unions
- Still others have ratification votes scheduled

⌘ The district has indicated that it does not intend to participate in STAR. However, it did submit its existing performance pay plan by Dec. 31, so it is possible for the district to reconsider participation in STAR.
