Dear Commissioner Winn,

Please accept the enclosed document as the Gilchrist County School Board's formal submittal of the STAR Plan. The plan was developed collaboratively by the school district and GE/United, the bargaining agent for the employees of the district. The original plan was approved by the Board on September 19, 2006. Modifications were approved on February 12, 2007, and the plan has been ratified by both parties. After careful review, we feel the plan complies with all aspects of the Proviso Language enacted by the 2006 Florida Legislature as interpreted by the Florida Department of Education and the State Board of Education.

Any questions regarding the plan should be directed to:
