**PROPOSED BOARD ACTION**

For Concurrence

**AUTHORITY FOR STATE BOARD ACTION**

**BACKGROUND INFORMATION**

On January 17, 2006, the Board approved a plan for revising the Sunshine State Standards and the timelines for doing so. Additional revisions to the process were approved on June 20, 2006, which included the addition of Performance Descriptors and the adjustment of the dates for standards to accommodate a smoother process. Having completed the revision of the Reading and Language Arts Standards, the Department will present options to expedite the process for the remaining Sunshine State Standards.
