1011.85, Florida Statutes

**BACKGROUND INFORMATION**

On May 15, 2007, the State Board of Education voted to approve proposed new Rule 6A-14.080, FAC., as presented. Upon review by the Joint Administrative Procedures Committee issues were raised relating to "First Generation in College Scholarships" which were not resolved and with further review are recommended to be stricken from the new rule. Florida Statute provides that rules may be changed after agency action, which in this case is approval by the State Board, based on comments provided by the Committee. It is the position of the Department that this change will not affect the intent of the rule and, therefore, is recommended for approval.
