

ASSISTANCE *plus*

Summary of 2006-2007
Assistance Plus Schools

New in 2007

Additional Components to School Grade Calculation

- One point for each percent of students who meet high standards by scoring at or above FCAT Achievement Level 3 in science. (Grade 5, 8, and 11)
- One point for each percent of the lowest performing students making learning gains in mathematics.

New in 2007

Additional Components to School Grade Calculation

Continued...

- Earn ten bonus points when half of all 11th and 12th graders retaking the FCAT meet the graduation requirement.
