Dear Sandy:

I understand that Valencia Community College is requesting approval for the Winter Park Center to be designated as a campus. I am writing in support of Valencia's application to have this facility approved as a campus by the state.

As President of Seminole Community College in Sanford, Florida, I am keenly aware that the designation of such a site as a campus is critical to the ability of community colleges to offer the diverse educational programs appropriate to the needs and demands of our service areas. I wholeheartedly support the designation of this site as a campus and wish you much success.

Sincerely,
