Dear Chancellor Holcombe:

Tallahassee Community College desires to establish a Health Education Center in Tallahassee. Transmitted herewith is the request containing information needed for the proposed Center in accordance with guidelines as established by the State Board of Education. The Board approved the establishment of this site in the Capital Improvement Program on August 2005/2006 and August 2006/2007.

I sincerely appreciate your consideration of this request.

Sincerely yours,

William D. Law, Jr.  
President
