

Board Material Relating to  
Agenda Item IX-D.3  
Meeting: March 18, 2008

**BOARD OF TRUSTEES  
ST. PETERSBURG COLLEGE**

**Amendment (Spot Survey) #1 to the Educational Plant Survey  
Dated June 19, 2007**

The College needs to amend the Educational Plant Survey dated June 19, 2007, because of the following:

- To establish a new site as the Veterinary Technology Center, Site Number 18, at the School Board of Pinellas County Seminole Vocational Education Center
- To transfer the Veterinary Technology Program and all related Student Stations and FTE to this new site
- To construct the Veterinary Technology Building, Veterinary Technology Center.

The Board of Trustees is required to amend the existing Educational Plant Survey for the College using the spot survey process. The Department of Education is responsible for filing the spot survey for future reference. The spot survey document is attached.

**Approval is sought for Amendment #1.** Carl M. Kuttler, Jr., President; and Susan M. Reiter, Director, Facilities Planning and Institutional Services, recommend approval.
