**AUTHORITY FOR STATE BOARD ACTION**

Section 1005.22(1)(e) and 1005.35(4)(c), Florida Statutes

**BACKGROUND INFORMATION**

When an institution undergoes a substantive change, such as a change in control, location, or level of credentials, the Commission for Independent Education reviews the change in order to ensure that the institution continues to meet standards for licensure. During a substantial rewrite of the rule in January 2008, the fee for this review was erroneously deleted as a result of a scrivener's error. Without any increase in the amount charged, the proposed change to Rule 6E-4.001 restores the charge for the review.
