

STATE BOARD OF EDUCATION

Action Item

October 21, 2008

SUBJECT: Approval of Amendment to Rule 6A-1.0014, Comprehensive Management Information System

PROPOSED BOARD ACTION

For Approval

AUTHORITY FOR STATE BOARD ACTION

Section 1001.02(1) and 008.385(3), Florida Statutes

EXECUTIVE SUMMARY

Rule 6A-1.0014, Comprehensive Management Information System, incorporates by reference the Data Base Requirements for Staff and Student Reporting. The Data Base Requirements Volume I – Automated Student Information System and Data Base Requirements Volume II – Automated Staff Information System have been updated to include all calculation steps in the class size calculation algorithm.

Supporting Documentation Included: Proposed Rule 6A-1.0014, Comprehensive Management Information System, Appendix AA Class Size Average Algorithm for the Grade Groupings, Volume I: Automated Student Information System -- Summary of Changes for the 2008-09 Fiscal Year, Volume II: Automated Staff Information System -- Summary of Changes for the 2008-09 Fiscal Year, and Volumes I and II Data Base Requirements for Staff and Student Reporting (under separate cover).

Facilitator: Lavan Dukes, Education Information and Accountability Services Section, Assessment, Research, and Measurement
