EXECUTIVE SUMMARY

The proposed changes correct and clarify citation references to Section 1012.56, Florida Statutes, as renumbered in Senate Bill 1908. Subparagraph (4)(b)2., of the rule is amended to add a cross reference to a revision to the Athletic Coaching certification endorsement, Rule 6A-4.0282, to include the requirement for a CPR certificate currently in subsection (3) of Rule 6A-4.0282. Additional citations are added to clarify the requirements of Section 1012.56 (2), Florida Statutes, for the Professional Certificate including mastery of general knowledge subsection (3), subject area knowledge subsection (5) and professional education and education competence subsection (6), for issuance of the Professional Certificate. These are not new requirements for the Professional Certificate but rather a numerical listing by subsections for ease of reading and understanding.
