The proceeds of the 2009 Bonds are also hereby authorized to be expended for and on Capital Outlay Projects heretofore or hereafter authorized to be funded from the Public Education Fund, excluding any project (or portion thereof) that will be used for or in a “private business use” as determined under Section 141 of the Code, provided that such expenditures shall be in compliance with the provisions of Section 6.05 of the Master Resolution.

ARTICLE III AUTHORIZATION AND TERMS OF 2009 BONDS

SECTION 3.01. AUTHORIZATION OF 2009 BONDS. Subject and pursuant to the provisions of this Forty-sixth Supplemental Authorizing Resolution, bonds of the State Board are hereby authorized to be issued in the aggregate principal amount of not exceeding \$155,100,000. Such bonds shall each be designated “State of Florida, Full Faith and Credit, State Board of Education Public Education Capital Outlay Bonds, 2009 Series [appropriate identifying letter]” or such other designation as may be determined pursuant to subsequent resolution. The 2009 Bonds shall be issued under and secured by the Master Resolution, as supplemented by this Forty-sixth Supplemental Authorizing Resolution, and all the terms and provisions contained in the Master Resolution shall be applicable to the 2009 Bonds, except as expressly set forth herein, including the pledge of the Gross Receipts Taxes and the pledge of the Full Faith and Credit of the State of Florida to the payment of the principal, premium if any, and interest on the 2009 Bonds.

SECTION 3.02. DESCRIPTION OF 2009 BONDS. Except as determined pursuant to subsequent resolution adopted prior to the sale of any Series thereof, the 2009 Bonds shall be issued only as fully registered bonds in the denominations of \$1,000 or integral multiples thereof; shall be dated and mature as determined pursuant to a resolution or resolutions adopted by the State Board

prior to the sale of the 2009 Bonds; shall bear interest at not exceeding the maximum lawful rate of interest authorized on the date of sale of the 2009 Bonds, payable semi-annually on June 1 and December 1 of each year; and shall be payable as to both principal and interest, shall be subject to registration, exchange, and transfer, shall be executed and authenticated, shall be in the form, and shall have such other terms as set forth in Article III of the Master Resolution. Pursuant to Section 6.05(a) of the Master Resolution, and as determined pursuant to a subsequent resolution or resolutions adopted by the State Board prior to the issuance of the 2009 Bonds, the 2009 Bonds may be issued as tax-exempt bonds or as taxable bonds, the interest on which would not be excluded from gross income for federal income tax purposes. The 2009 Bonds may be made redeemable at the option of the State Board upon such terms and conditions as determined pursuant to a subsequent resolution or resolutions adopted by the State Board prior to the issuance of the 2009 Bonds. If issued in multiple Series, each Series shall have an identifying letter.

SECTION 3.03 FORM OF BONDS. (A) Notwithstanding anything to the contrary in the Master Resolution, this Forty-sixth Supplemental Resolution, or any other resolution relating to the 2009 Bonds (for the purposes of this section, collectively, the “Resolution”), the 2009 Bonds may be issued in book-entry only form utilizing the services of a Securities Depository (as used herein, “Securities Depository” means The Depository Trust Company, New York, New York, or its nominees, successors and assigns).

So long as a book-entry only system of evidence of transfer of ownership of all the 2009 Bonds is maintained in accordance herewith, any provision of the Resolution relating to the delivery of physical bond certificates shall be inapplicable, and the Resolution shall be deemed to give full effect to such book-entry system.

If the 2009 Bonds are issued in book-entry only form:

(1) The 2009 Bonds shall be issued in the name of the Securities Depository as the Registered Owner of the 2009 Bonds, and held in the custody of the Securities Depository or its designee.

(2) Transfers of beneficial ownership of the 2009 Bonds will be effected on the records of the Securities Depository and its Participants pursuant to rules and procedures established by the Securities Depository (“Participants” include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations, as well other organizations that clear through or maintain a custodial relationship with such organizations, either directly or indirectly).

(3) Each Participant shall be credited in the records of the Securities Depository with the amount of such Participant's interest in the 2009 Bonds. Beneficial ownership interests in the 2009 Bonds may be purchased by or through Participants. The holders of these beneficial ownership interests are hereinafter referred to as the “Beneficial Owners.” The Beneficial Owners shall not receive 2009 Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the Participant from which such Beneficial Owner purchased its 2009 Bonds. Transfers of ownership interests in the 2009 Bonds shall be accomplished by book entries

made by the Securities Depository and, in turn, by Participants acting on behalf of Beneficial Owners.

(4) Unless otherwise provided herein, the State Board, the Division of Bond Finance, the Board of Administration and the Bond Registrar/Paying Agent (as used in this section, the “State and its agents”) shall treat the Securities Depository as the sole and exclusive owner of the 2009 Bonds registered in its name for the purposes of

(a) payment of the principal of, premium, if any, and interest on the 2009 Bonds or portion thereof to be redeemed or purchased. Payments made to the Securities Depository of principal, premium, and interest shall be valid and effective to fully satisfy and discharge the State Board's obligations to the extent of the sums so paid;

(b) giving any notice permitted or required to be given to Registered Owners under the Resolution; and

(c) the giving of any direction or consent or the making of any request by the Registered Owners hereunder. The State and its agents may rely conclusively upon

(i) a certificate of the Securities Depository as to the identity of the Participants with respect to the 2009 Bonds; and

(ii) a certificate of any such Participant as to the identity of, and the respective principal amount of 2009 Bonds beneficially owned by, the Beneficial Owners.

(5) The State and its agents shall have no responsibility or obligations to the Securities Depository, any Participant, any Beneficial Owner or any other person which is not shown on the 2009 Bond Register, with respect to

(a) the accuracy of any records maintained by the Securities Depository or any Participant;

(b) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the principal amount or redemption or purchase price of, or interest on, any 2009 Bond;

(c) the delivery of any notice by the Securities Depository or any Participant;

(d) the selection of the Participants or the Beneficial Owners to receive payment in the event of any partial redemption of the 2009 Bonds; or

(e) any consent given or any other action taken by the Securities Depository or any Participant.

(6) The requirements in the Resolution of holding, delivering or transferring 2009 Bonds shall be deemed modified to require the appropriate person to meet the requirements of the Securities Depository as to registering or transferring the book-entry 2009 Bonds to produce the same effect. Any provision hereof permitting or requiring delivery of the 2009 Bonds shall, while the 2009 Bonds are in book-entry only form, be satisfied by the notation thereof on the books of the Securities Depository in accordance with applicable state law.

(B) The Division of Bond Finance may discontinue the book-entry system with the then-current securities depository, subject to the terms of its agreement with such securities depository. In this event, the Division of Bond Finance shall either

(1) identify another qualified securities depository or

(2) prepare and deliver replacement 2009 Bonds in the form of fully registered bonds to each Beneficial Owner.

SECTION 3.04. DELEGATION OF SALE OF THE 2009 BONDS. The 2009 Bonds shall be sold at competitive or negotiated sale and may be sold at one time or in multiple Series from time to time as hereinafter provided.

In order to take advantage of opportunities as and when they arise in the municipal market, the State Board hereby authorizes the Division of Bond Finance, as agent for the State Board, to determine the financing structure and method of sale of the 2009 Bonds. The Division of Bond Finance, as agent for the State Board, is hereby authorized and directed to determine when, if, where and in what principal amount (if less than the full authorized amount) the 2009 Bonds shall be offered for sale, to determine the method(s) by which bids will be accepted or by which the sale of the 2009 Bonds will be negotiated, and to determine the specific fiscal details of the 2009 Bonds (or Series thereof) to be sold.

SECTION 3.05. AWARD AND DELIVERY OF 2009 BONDS. The Commissioner or Deputy Commissioner of Education and the Secretary or an Assistant Secretary of the Governing Board of the Division of Bond Finance are hereby authorized and empowered to award each Series of 2009 Bonds, when offered, on their determination of either the best proposal submitted in accordance with the terms of the Notice of Bond Sale published in connection with the sale of such Series of 2009 Bonds, or the terms of any bond purchase agreement negotiated in connection with the sale of such Series of 2009 Bonds. Such award shall be final. The Secretary or other appropriate officer shall report such award to the State Board. In the event of the absence of the Commissioner or Deputy Commissioner of Education at the time bids are received, the Secretary or an Assistant Secretary of the Governing Board of the Division of Bond Finance is authorized to act on behalf of the State Board in awarding each Series of 2009 Bonds, with the concurrence of a duly designated representative of the State Board.

The proper officials of the State Board are hereby authorized to execute the 2009 Bonds in the manner provided by the resolution authorizing the issuance of the 2009 Bonds, and the Division of Bond Finance is hereby authorized to deliver each Series of 2009 Bonds to the purchasers thereof upon payment of the purchase price, together with accrued interest to the date of delivery, and to

distribute the proceeds of each Series of 2009 Bonds as provided by the proceedings authorizing the issuance of such 2009 Bonds.

The appropriate officers and employees of the State Board and of the Division of Bond Finance are authorized and empowered, collectively or individually, to take all actions and steps, to execute all instruments, documents, and contracts, and to take all other action on behalf of the State Board and the Division of Bond Finance, in each case as they may deem necessary or desirable, in connection with the execution and delivery of each Series of 2009 Bonds.

SECTION 3.06. ACCOUNTS FOR 2009 BONDS. There shall be created a subaccount in the Sinking Fund for each Series of the 2009 Bonds and an Amortization Account therein for each maturity of Term Bonds of the 2009 Bonds. Amounts deposited into such subaccounts shall be applied as provided in Section 4.03 of the Master Resolution.

ARTICLE IV APPLICATION OF BOND PROCEEDS

SECTION 4.01. APPLICATION OF 2009 BOND PROCEEDS. Upon receipt of the proceeds of the 2009 Bonds, the State Board shall transfer and apply such proceeds as follows:

(a) The amount necessary to pay all costs and expenses of the Division of Bond Finance in connection with the preparation, sale and issuance of the 2009 Bonds, including a reasonable charge for the services of the Division of Bond Finance, shall be transferred to the Division of Bond Finance to be deposited in the Bond Proceeds Trust Fund, subject to disbursement of the funds to the Bond Fee Trust Fund and the Arbitrage Compliance Trust Fund pursuant to written instructions at the delivery of the 2009 Bonds unless such amount shall be provided from another legally available source.

(b) The accrued interest on the 2009 Bonds, plus an amount determined in the sole discretion of the State Board and the Division of Bond Finance as being necessary, together with such accrued interest, to provide for the payment of interest on the 2009 Bonds for a period not to exceed 12 months from the date of issuance of the 2009 Bonds shall be transferred to the Board of Administration and deposited in the Sinking Fund created by the Master Resolution.

(c) All remaining proceeds shall be deposited in the Public Education Fund and shall be used by the State Board to finance Capital Outlay Projects, as provided by this Forty-sixth Supplemental Authorizing Resolution. Included within the meaning of financing Capital Outlay Projects is the expenditure of proceeds for encumbrances provided for pursuant to Section 1013.65(1), Florida Statutes.

SECTION 4.02. ALLOCATION OF FUNDS. As moneys become available pursuant to the Public Education Bond Amendment, including the proceeds of the 2009 Bonds authorized herein, the State Board may allocate such moneys among the Capital Outlay Projects authorized in Article II, in such amounts as the State Board in its discretion shall deem proper.

SECTION 4.03. APPLICATION OF SURPLUS 2009 BOND PROCEEDS AND OTHER FUNDS. (a) If the amount needed to complete any Capital Outlay Project heretofore

authorized by the Florida Legislature and by the State Board is less than the specific sum certified forward by the Office of Planning and Budgeting, Executive Office of the Governor for such Capital Outlay Project then, pursuant to Section 1013.66, Florida Statutes, the surplus amount unexpended may be used to finance, in whole or in part, any Capital Outlay Project authorized by the Florida Legislature, or as provided in the Public Education Bond Amendment, and herein.

(b) If for any reason any of the proceeds from the sales of the 2009 Bonds shall not be expended for the Capital Outlay Projects described in Article II, the State Board may use such unexpended proceeds as provided in Section 4.03(b) of the Master Resolution.

SECTION 4.04. REGISTERED OWNERS NOT AFFECTED BY APPLICATION OF 2009 BOND PROCEEDS. The proceeds derived from the sale of the 2009 Bonds shall be applied and disbursed pursuant to the provisions of the Act and this Forty-sixth Supplemental Authorizing Resolution. The Registered Owners of 2009 Bonds shall not have any responsibility whatsoever for the application or use of any of the proceeds derived from the sale of the 2009 Bonds, and the rights and remedies of the Registered Owners of 2009 Bonds and their right to payment, pursuant to the Public Education Bond Amendment and this Forty-sixth Supplemental Authorizing Resolution, shall not be affected or impaired by the application or use of such proceeds. Upon the issuance of the 2009 Bonds authorized by this Forty-sixth Supplemental Authorizing Resolution, all the covenants and agreements between the State Board and the Registered Owners of 2009 Bonds contained in this Forty-sixth Supplemental Authorizing Resolution shall be valid and binding covenants and agreements between the State Board and the Registered Owners of 2009 Bonds without regard to the application of the proceeds of the 2009 Bonds.

ARTICLE V
APPLICATION OF PROVISIONS OF MASTER RESOLUTION
AND SECURITY FOR THE 2009 BONDS

The 2009 Bonds herein authorized shall for all purposes (except as herein expressly changed) be considered to be Additional Parity Bonds issued under the authority of the Master Resolution and shall be entitled to all the protection and security provided therein for the Parity Bonds.

The covenants and pledges contained in the Master Resolution (to the extent the same are not inconsistent with the provisions hereof) shall be applicable to the 2009 Bonds herein authorized in like manner as applicable to the Parity Bonds, and the Funds and Accounts established in the Master Resolution shall be continued and maintained as long as any of the 2009 Bonds and interest thereon issued hereunder are outstanding and unpaid. The principal of and interest on the 2009 Bonds herein authorized shall be payable from the Sinking Fund heretofore established by the Master Resolution on a parity with the Parity Bonds, and payment shall be made into such Sinking Fund from the Public Education Fund in amounts fully sufficient to pay the principal of and interest on the 2009 Bonds herein authorized as such principal and interest become due.
