### Contributing factors to achieve 100% AYP:

- Focused on knowing the student subgroups and meeting the specific needs of individual students
- Took a 3-tiered approach to targeting students which included:
  - Targeting the lowest performing students to receive the highest level of intervention
  - Placing borderline students in a combination of mainstream classroom and pull-outs
  - Scheduled pull-outs for ELL and Disabled students
- Monitored extensively using the FCIM process, which included reviewing data consistently
- Incorporated tenants of RtI
