

STATE BOARD OF EDUCATION

April 15, 2003

SUBJECT: Rule 6A-1.0014 Comprehensive Management Information System

PROPOSED BOARD ACTION

For Approval

AUTHORITY FOR STATE BOARD ACTION

Authority given by Sections 120.53(1)(b), 229.053(1), 229.555(3) Florida Statutes

BACKGROUND INFORMATION

Annual approval and adoption of Rule 6A-1.0014, providing that each school and the Department shall develop a comprehensive management information system that shall be part of, and compatible with, the statewide comprehensive management information system. The Database Manuals (Student and Staff) provide guidelines for users of the management information system. Data elements/formats/edits are revised, added, and deleted as necessary, and these changes are reflected in the annual publication.

Supporting Documentation Included: Rule 6A-1.0014, Comprehensive Management Information System

Facilitators/Presenters: Dr. Martha Haynes
