

FLORIDA BOARD OF EDUCATION

August 28-29, 2002

SUBJECT: Approval of the Collective Bargaining Agreement between the Florida Board of Education and the Florida Nurses Association, Inc.

PROPOSED BOARD ACTION

Approve the Collective Bargaining Agreement between the Florida Board of Education and the Florida Nurses Association Inc. which expires January 6, 2003.

BACKGROUND INFORMATION

The Collective Bargaining Agreement between the Florida Board of Education and the Florida Nurses Association, Inc. (FNA) expired June 30, 2002. Usually, the Agreement would be renewed for three years; however, because the State university boards of trustees become the public employers and universities assume all collective bargaining functions on January 7, 2003, the FBOE and the FNA successfully negotiated a new Agreement that expires January 6, 2003. The parties also agreed to implement salary increases pursuant to the provisions of the 2002 General Appropriations.
